Five companies join AEDIP in Spain by January 2007

The well known Spanish Association of Project Management in the Construction Sector (AEDIP) has incorporated to their organization five new companies by January 2007. These companies have high prestige and a long life in the Project Management Sector: Mace Management, Vila Associats, Nova Ingenieria, SGS Technos e Integral. This milestone in the AEDIP story places the Spanish association AEDIP as the most representative organization in the Spanish Construction Industry. AEDIP was born in 1994 with the objective of promoting the knowledge and expansion of Project Management as a management system in the Construction Sector.
